# Producing Hygienic Results

Cleans anti-slip resin, improving safety and hygiene

Cleans under fixed racking and low production equipment

- 1000's of satisfied users in the food production and preparation industry.
- Up to 90% savings on water and chemical costs.
- Effectively and hygienically cleans concrete, tiles, resin, slip resistant and many other floor coverings.
- Easy to use, minimal training required.
- Efficient single pass action.
- Very fast - will clean up to 1800m<sup>2</sup> per hour.
- Recommended for cleaning anti slip by Altro, Gerflor, James Halstead, Marley and many other major flooring manufacturers.

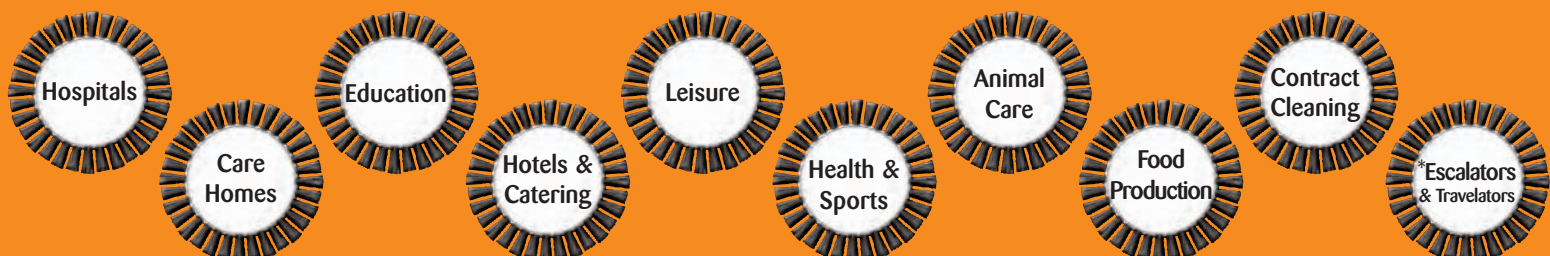

**Quality Assurance**  
 The Kite mark is the British Standards Institution sign for the quality in design and manufacture of Rotowash products

**Dept. of Environment Approved Systems 1993**

Rotowash products conform to the high standards of design, quality and safety set by the following organisations.

## One Machine for Multiple Applications
